

FLORIDA EVENTS FOR REAL ESTATE PROFESSIONALS

Wednesday, February 22, 2012 | James L. Knight Center | 400 SE Second Avenue, Miami, FL 33131
Friday, February 24, 2012 | Hyatt Regency Tampa | 211 North Tampa Street, Tampa, FL 33602

The U.S. Department of the Treasury (Treasury), with our partners at HOPE NOW, HUD, and NeighborWorks America, is bringing two "Help for Homeowners" Community Events to Florida in February. These events, one in Miami and one in Tampa, offer the chance for homeowners having difficulty paying their mortgages to meet with servicers and housing counselors to get help. Realizing that staying in the home is not always an option, just in time for Florida, we've added two very important opportunities for real estate professionals and housing counselors to discuss short sales as a foreclosure prevention strategy. If you work with homeowners on short sales, you can't afford to miss this series of events.
